What is the BBA & MSc ESADE Career Forum?

Getting to know each other...

THE BBA & MSc ESADE Career Forum is an event aimed to introduce companies to different student profiles from our programmes: The Bachelors of Business Administration and the Master of Science. The programmes present a clearer vision of ESADE’s diverse and international talent and to help define students want out of their career.

The Forum will be held over 2 days (the 11th and 12th of February 2013) and will consist of a Networking Stands Area, Corporate Presentations, additional seminars and interviews after stand hour for all profiles of students.

Who is the main student audience at the event?

4th year BBA Students

There students are completing their last year (4th year BBA students) and are available for full time positions as of summer 2013. These BBA students may opt to continue with their postgraduate MSc studies immediately upon their BBA graduation finalizing this summer 2013. Therefore, this may change their availability status to be exclusively for a summer internship upon completion of their BBA programmes.

MSC & MSC/CEMS, MIM Students

Students in the MSc programme are focused on internships and full time positions as from May 2013. They should consider the Career Forum as one of many options for their career search. The Forum is simply a chance for these students to network with companies, ask questions, and attend Corporate Presentations.

Graduated students 2012

Students in the Students from the different undergraduate and postgraduate programmes, graduated in 2012, are also invited to the Forum.

We hope this edition of the BBA & MSc Career Forum continues to be a successful meeting point for recruiters and candidates, the Career Services Team looks forward to welcoming you on campus.
