---

**Advisor:** Dr. Pedro Rey Biel

---

**Research Group:** Group for Research in Economics and Finance

---

**Research Interests:**

- Behavioral Economics
- Experimental Economics
- Public Policy
- Marketing

---

**Short Bio:**

Sayantani Chakravarty is a PhD candidate at Esade, Ramon Llull University (Barcelona, Spain). Prior to joining Esade for the MRES-PhD program in 2018, she obtained an Masters in Research in Economics from UAB (Barcelona).

Sayantani's research combines behavioral theories and experiments to understand human decision making in markets, economies and politics. She studies how varying incentive designs and cognitive biases affect choice outcomes.
