**Research Group:** BuNeD

---

**Research Interests:**

- Operations and Supply Chain
- Sustainable Supply Chain
- Precarious Work
- Corporate Irresponsibility
- Ownership Structure

---

**Short Bio:**

Guanda Zhou is a Ph.D. candidate in Operations and Supply Chain Management at Esade Business School. He holds an M.Res. and an M.Sc. in Sustainability Management from Esade Business School, and a B.Sc. in Statistics and Management for Business from University College London.

His research interest is in sustainable supply chain. More specifically, his research interests lie at the intersection of operation performance, corporate irresponsibility and ownership structure. His work has led to collaborating with multiple co-authors and presenting multiple papers at domestic and international conferences.
