**Short Bio:**

Sameh Marei is a PhD candidate in the Group for Research in Economic and Finance at Esade. He holds a Master of Research in Management Sciences from Esade, a Master of Finance from University of Cambridge and a Bachelor of Economics from Cairo University. In addition, he is a certified financial analyst by the CFA institute. Before joining Esade, Sameh worked in corporate and investment banking for 10 years across London and Middle East.

His research interests are in the intersection of corporate finance and international finance, with particular emphasis on private markets and debt management.
