---

**Advisor:** Dr Ignasi Martí

---

**Research Group:** Institute for Social Innovation

---

**Research Interests:**

- Corporate social responsibility
- Controversial industries
- Employee attitudes
- Precarity in organizations
- Exclusion
- Resistance

---

**Short Bio:**

Ignacio J. Duran is a Ph.D. candidate in the Institute for Social Innovation at Univ. Ramon Llull, Esade Business School. He holds a Master of Research in Management Sciences from Esade Business School, and a M.Sc. in Management and B.S. in Business Administration from Universidad Adolfo Ibáñez (Chile). He has two main research interests: (i) understanding how stakeholders (especially employees) react to corporate social responsibility (CSR) activities; and (ii) comprehending how people organize in situations of exclusion and precarity, and particularly how they engage in resistance—either individually or collectively. His work has been published in *Business Ethics: A European Review*, *Sustainability*, and *Managerial and Decision Economics*.
