Erasmus+ students will be asked to complete their **Online Learning Agreement** through the Erasmus Without Paper platform and following the dates set by Erasmus+.

Note for students: When filling in the Learning Agreement in your home university platform, it is very important that you correctly fill in the following fields:

HOUSING

Student Residences

Esade does not have housing facilities for students in Barcelona – Pedralbes but students are welcome to stay at the [Residencia Sarrià](#), which is a 15-minute walk down to the Pedralbes campus.

Private Housing

While there are numerous housing options available, the market has become increasingly limited in recent years. Consequently, the search for an apartment or room can be time-consuming and relatively expensive. Looking for an apartment on your own requires knowledge of the different areas (barrios/barris) in Barcelona because prices can vary substantially from one area to another. **It is highly recommended that you plan to arrive in Barcelona at least two weeks prior to the start of your programme to locate accommodation. Alternatively, you can secure a room or apartment from abroad, but be aware of scams.** Only make money transfers to reputable agencies! Even then, make sure you use their platform, and have not been sent a link which takes you outside the platform. The neighbourhoods which are most popular with Esade students are Gràcia, Sant Gervasi, Sarrià and l'Eixample; Les Corts and Sants are also conveniently located.

Once nominated, students will have access to Esade's international student handbook, which offers more detailed information non-academic issues such as housing, visas, medical contacts, health insurance etc. For any other non-academic matters, students should contact the Esade International Student Advisor:

Ms. Caroline Beckershaus & Mr. Marcos González

PSYCHOLOGICAL & COUNSELLING SERVICES

Esade's PACS (Psychological And Counselling Services) aims to ensure the psychological and emotional wellbeing of all students. It supports anyone experiencing issues related to their studies, or any psychological, social and/or emotional problems that are hindering their academic progress.

The student counsellor is a professionally trained and experienced clinical psychologist, accustomed to guiding people from different backgrounds and cultures through a wide range of issues. You can access three main types of services:

Individual Counselling

It can be challenging to adapt to a new environment, adjust to independent living, experience relationships that are not going well, or go through complicated life events. In case you are going through any psychological, social or emotional problems, you can set an appointment for a one-to-one counselling session. Everything you discuss with the student psychologist is strictly confidential and all the sessions are free. Students can book an appointment by sending an email to pacs@esade.edu

Workshops

Workshops and training sessions are organised during the year to help students build skills to respond to the demands of life at Esade. The topics change each term, depending on needs and demands.

Curricular Accommodations

We want to guarantee equal opportunities and the achievement of educational goals for everyone. This means we offer support to students who have a learning disability or need extra learning support to achieve their goals. All information on the curricular accommodations policy is published on the [PACS website](#).

Resources

Several resources are included on the PACS website to help students improve their wellbeing and academic skills.

Any student can contact the PACS service via email at: pacs@esade.edu for further information
