

LET'S TURN IT UP!

Welcome to Forté Foundation,
and congratulations on being selected
as a Forté Fellow.

Forté Fellows are the very best of the bright and ambitious women who join our MBA programs each year. Forté Fellowships are prestigious and competitive awards that are recognized within the business school community and beyond. Forté Fellows exhibit exemplary leadership, represent diverse backgrounds, and demonstrate a commitment to advancing women in business — all of which aligns with Forté's mission.

Forté Foundation offers many resources unique to Fellows. In addition to the financial support provided through Fellowships awarded by Forté sponsor schools, Fellows gain exposure to leading companies and an immediate network of peers that extends beyond individual business schools. For more information about Forté Foundation and the Fellows Program, visit our website at www.fortefoundation.org.
