

# 2025 Sustainability Week Curricular Activities

## Bachelor in Law and Bachelor in Global Governance, Economics & Legal Order

### 1st Year

---

#### MACROECONOMÍA

**Faculty:** Domenech Ponsi, Josep

The session will focus on an activity and discussion about the circular economy.

#### ENGLISH LANGUAGE COURSES

**Faculty coordinator:** Chahi, Fatiha

During Sustainability Week, students in the English, Spanish and French language courses will have the opportunity to hear a testimonial from former student Suraj Kumar Lachmandas, who developed an app to support patients suffering from chronic digestive illnesses.

### 2nd Year

---

#### ENGLISH LANGUAGE COURSES

**Faculty coordinator:** Chahi, Fatiha

During Sustainability Week, students in the English, Spanish and French language courses will have the opportunity to hear a testimonial from former student Suraj Kumar Lachmandas, who developed an app to support patients suffering from chronic digestive illnesses.

### 3rd Year

---

#### RECURSOS NATURALES Y ESTRATEGIAS GEOPOLÍTICAS

**Faculty:** Molina Alsina, Jordi

This course examines the historical and present dynamics of commodities such as silk, gold, oil, and rare earths. Discussions will focus on their economic, geopolitical, social, and environmental impacts.

### 4th Year

---

#### DERECHO PROCESAL PENAL

**Faculty:** Velazquez Vioque, David

Criminal law and its impact on environmental protection. During Sustainability Week, students will have the opportunity to hear and participate in a dialogue with the Environmental Prosecutor of Barcelona on this topic.
