## EsadeMacro Meeting (EM2)

### Welcome to Esade!

#### Welcome to Barcelona

Barcelona, a city with an open, Mediterranean spirit, offers a wide range of attractions that make it a fascinating city to visit and live in. The urban transformation that took place during the Olympic Games in 1992 and the spectacular creation of 15 km of beaches along the city coastline are some of the most recent innovations in a city rich in architectural treasures - namely its Gothic and Modernist heritage, with Gaudi as the central figure.

#### Barcelona Campus

The Esade Barcelona Campus, covering a total of 29,475 m., is located in Pedralbes, one of the city's most attractive residential neighbourhoods, just off the Avenida Diagonal and close to Barcelona's main university area. It is within a stone's throw of the Pedralbes Monastery, home to the Thyssen-Bornemisza art collection, and the Royal Palace of Pedralbes. The Campus is surrounded by parks and gardens and features all the resources and services essential for university life.

#### Esade Macro Meetings (EM2)

The Esade Macro Meetings will be held in Building 3 at the Barcelona Campus, located in the Pedralbes neighbourhood, close to the university zone on Diagonal Avenue.
