# 2023 Esade Spring Workshop

Barcelona, June 9, 2023

## CALL FOR PAPERS

The Group for Research in Economics and Finance (GREF) at Esade Business School organizes the second edition of the “Esade Spring Workshop”, which will take place in Barcelona on June 9, 2023. The workshop will offer two main tracks:

- **“Asset Pricing” (AP)** with a special focus on the interaction of stock and option market information, market anomalies and the equity risk premium.
- **Information, Accounting and Reporting” (IAR)** with a special focus on firm valuation (i.e., pricing of [new sources of] information) and the effects of recent regulatory mandates.

The workshop is open to high-quality theoretical and empirical research within these two broad fields and will provide an opportunity for presentations and discussions in an informal and highly interactive environment.

### Keynote speakers:

- AP: **Turan Bali** (Georgetown University) and **Amit Goyal** (University of Lausanne and Swiss Finance Institute).
- IAR: **Stephen Penman** (Columbia University-Bocconi) and **Yongtae Kim** (Santa Clara University)

### Submissions:

Manuscript submissions are free of charge. Please use the following [link](#) for submitting a manuscript. The submission deadline is February 20, 2023. Authors of accepted papers will be notified by March 30, 2023.
