Esade Forum is an exclusive, high-quality meeting center equipped with the most modern facilities. The space is extremely versatile, so it makes an ideal venue for bespoke events for all kinds of organisations and occasions. In the last ten years, Esade has staged more than 2,000 events, which have been attended by more than 200,000 people.

The combination of quality infrastructure equipped with state-of-the-art technology, the wide range of services available and a highly experienced team make Esade Forum the ideal setting for holding events as diverse as congresses, conventions, conferences, workshops, presentations, assemblies and debates.

What does it offer?

A modern, modular space, with an area of 900 m² and capacity for 336 people. It can be converted into three totally independent rooms, in addition to two foyers of 80 m² and 400 m² for catering, exhibitors and complementary activities.
